

not lay off and will not lay off a registered nurse employed by the facility 90 days before and after the date of filing a visa petition (*See* § 655.1115);

(6) That the facility will notify its workers and give a copy of the Attestation to every nurse employed at the facility (*See* § 655.1116);

(7) That no more than 33% of nurses employed by the facility will be H-1C nonimmigrants (*See* § 655.1117);

(8) That the facility will not authorize H-1C nonimmigrants to work at a worksite not under its control, and will not transfer an H-1C nonimmigrant from one worksite to another (*See* § 655.1118).

§ 655.1111 Element I—What hospitals are eligible to participate in the H-1C program?

(a) The first attestation element requires that the employer be a “facility” for purposes of the H-1C program, as defined in INA Section 212(m)(6), 8 U.S.C. 1182 (2)(m)(6).

(b) A qualifying facility under that section is a “subpart (d) hospital,” as defined in Section 1886(d)(1)(B) of the Social Security Act, 42 U.S.C. 1395ww(d)(1)(B), which:

(1) Was located in a health professional shortage area (HPSA), as determined by the Department of Health and Human Services, on March 31, 1997. A list of HPSAs, as of March 31, 1997, was published in the FEDERAL REGISTER on May 30, 1997 (62 FR 29395);

(2) Had at least 190 acute care beds, as determined by its settled cost report, filed under Title XVIII of the Social Security Act, (42 U.S.C. 1395 *et seq.*), for its fiscal year 1994 cost reporting period (*i.e.*, Form HCFA-2552-92, Worksheet S-3, Part I, column 1, line 8);

(3) Had at least 35% of its acute care inpatient days reimbursed by Medicare, as determined by its settled cost report, filed under Title XVIII of the Social Security Act, for its fiscal year 1994 cost reporting period (*i.e.*, Form HCFA-2552-92, Worksheet S-3, Part I, column 4, line 8 as a percentage of column 6, line 8); and

(4) Had at least 28% of its acute care inpatient days reimbursed by Medicaid, as determined by its settled cost report, filed under Title XVIII of the So-

cial Security Act, for its fiscal year 1994 cost reporting period (*i.e.*, Form HCFA-2552-92, Worksheet S-3, Part I, column 5, line 8 as a percentage of column 6, line 8).

(c) The FEDERAL REGISTER notice containing the controlling list of HPSAs (62 FR 29395), can be found in federal depository libraries and on the Government Printing Office Internet website at <http://www.access.gpo.gov>.

(d) To make a determination about information in the settled cost report, the employer shall examine its own Worksheet S-3, Part I, Hospital and Hospital Health Care Complex Statistical Data, in the Hospital and Hospital Health Care Complex Cost Report, Form HCFA 2552, filed for the fiscal year 1994 cost reporting period.

(e) The facility must maintain a copy of the portions of Worksheet S-3, Part I and Worksheet S, Parts I and II of HCFA Form 2552 which substantiate the attestation of eligibility as a “facility.” One set of copies of this document must be kept in the facility’s public access file. The full Form 2552 for fiscal year 1994 must be made available to the Department upon request.

§ 655.1112 Element II—What does “no adverse effect on wages and working conditions” mean?

(a) The second attestation element requires that the facility attest that “the employment of the alien will not adversely affect the wages and working conditions of registered nurses similarly employed.”

(b) For purposes of this program, “employment” is full-time employment as defined in § 655.1102; part-time employment of H-1C nurses is not authorized.

(c) *Wages.* To meet the requirement of no adverse effect on wages, the facility must attest that it will pay each nurse employed by the facility at least the prevailing wage for the occupation in the geographic area. The facility must pay the higher of the wage required under this paragraph or the wage required under § 655.1113 (*i.e.*, the third attestation element: facility wage).

(1) *Collectively bargained wage rates.* Where wage rates for nurses at a facility are the result of arms-length collective bargaining, those rates shall be considered “prevailing” for that facility for the purposes of this subpart.

(2) *State employment security determination.* In the absence of collectively bargained wage rates, the facility may not independently determine the prevailing wage. The State employment security agency (SESA) shall determine the prevailing wage for similarly employed nurses in the geographic area in accordance with administrative guidelines or regulations issued by ETA. The facility shall request the appropriate prevailing wage from the SESA not more than 90 days prior to the date the Attestation is submitted to ETA. Once a facility obtains a prevailing wage determination from the SESA and files an Attestation supported by that prevailing wage determination, the facility shall be deemed to have accepted the prevailing wage determination as accurate and appropriate (as to both the occupational classification and the wage rate) and thereafter shall not contest the legitimacy of the prevailing wage determination in an investigation or enforcement action pursuant to subpart M. A facility may challenge a SESA prevailing wage determination through the Employment Service complaint system. See 20 CFR part 658, subpart M. A facility which challenges a SESA prevailing wage determination must obtain a final ruling from the Employment Service prior to filing an Attestation. Any such challenge shall not require the SESA to divulge any employer wage data which was collected under the promise of confidentiality.

(3) *Total compensation package.* The prevailing wage under this paragraph relates to wages only. Employers are cautioned that each item in the total compensation package for U.S. nurses, H-1C, and other nurses employed by the facility must be the same within a given facility, including such items as housing assistance and fringe benefits.

(4) *Documentation of pay and total compensation.* The facility must maintain in its public access file a copy of the prevailing wage, which shall be either the collective bargaining agree-

ment or the determination that was obtained from the SESA. The facility must maintain payroll records, as specified in § 655.1113, and make such records available to the Administrator in the event of an enforcement action pursuant to subpart M.

(d) *Working conditions.* To meet the requirement of no adverse effect on working conditions, the facility must attest that it will afford equal treatment to U.S. and H-1C nurses with the same seniority, with respect to such working conditions as the number and scheduling of hours worked (including shifts, straight days, weekends); vacations; wards and clinical rotations; and overall staffing-patient patterns. In the event of an enforcement action pursuant to subpart M, the facility must provide evidence substantiating compliance with this attestation.

§ 655.1113 Element III—What does “facility wage rate” mean?

(a) The third attestation element requires that the facility employing or seeking to employ the alien must attest that “the alien employed by the facility will be paid the wage rate for registered nurses similarly employed by the facility.”

(b) The facility must pay the higher of the wage required in this section (*i.e.* facility wage), or the wage required in § 655.1112 (*i.e.*, prevailing wage).

(c) *Wage obligations for H-1C nurses in nonproductive status.*

(1) *Circumstances where wages must be paid.* If the H-1C nurse is not performing work and is in a nonproductive status due to a decision by the facility (*e.g.*, because of lack of assigned work), because the nurse has not yet received a license to work as a registered nurse, or any other reason except as specified in paragraph (c)(2) of this section, the facility is required to pay the salaried H-1C nurse the full amount of the weekly salary, or to pay the hourly-wage H-1C nurse for a full-time week (40 hours or such other number of hours as the facility can demonstrate to be full-time employment) at the applicable wage rate.

(2) *Circumstances where wages need not be paid.* If an H-1C nurse experiences a period of nonproductive status due to conditions unrelated to employment
